## Partners 2019

### Main Sponsors

Developing associated, content-rich projects in collaboration with leading partners from the business world is a special goal of Lucerne Festival. As Main Sponsors, these companies enter into a long-term partnership with the Festival in order to promote the development and implementation of individual artistic concepts.

**Credit Suisse** makes the annual orchestral residency of the Vienna Philharmonic possible. In addition, the Credit Suisse Foundation is dedicated to supporting emerging artists through two awards devoted to the next generation. These are granted annually on an alternating basis: the “Prix Credit Suisse Jeunes Solistes” and the “Credit Suisse Young Artist Award.”

**Nestlé S.A.** is committed to the ambitious idea of a unique Festival orchestra and makes the annual residency of the Lucerne Festival Orchestra possible through its contributions.

**Roche** is a committed partner of the Lucerne Festival Academy and grants composition commissions in alternating years as part of the “Roche Commissions” and the “Roche Young Commissions.” The resulting new works are given their premieres as part of the Summer Festival.

The **Adecco Group Foundation** supports the development of the Festival’s international presence, especially the activities of the Lucerne Festival Orchestra in Asia, thus enhancing the worldwide reputation of the Festival.

**Zurich Insurance Company Ltd** (Zurich) has made it a primary goal to enable access to classical music for a broad public. The free “40min” concert series underscores this commitment with numerous events in Lucerne Hall.

### Theme Sponsor

Every summer, Lucerne Festival is traditionally organized around a general theme that serves as a leitmotif for the concert programming. “Power” is the theme of the 2019 Summer Festival – which may well be the most controversial theme for humanity in general. On the one hand, the programming will include works that explore the phenomenon of power in terms of their content; on the other, we will investigate music’s own power to have an impact. And of course we will also draw attention to power structures as these have shaped and continue to shape the world of music.

The **Clariant Foundation** supports Lucerne Festival in these endeavors as Theme Sponsor.

Lucerne Festival thanks its Partners for their valued commitment to the 2019 Summer Festival.
